

DOING BUSINESS WITH COUNCIL

Procurement Unit is responsible for carrying out the procurement and contract management processes at Council. Council regularly enters into competitive arrangements for the purchase of works, goods and services needed to provide 'best value' procurement outcomes to ratepayers and others in the community.

The principle of 'best value' does not mean that Council will automatically select goods and services with lowest price. Council will balance all relevant factors including initial cost, whole of life cost, quality, reliability and timeliness to determine actual money for value. Council is committed to conducting with fairness and probity in purchasing goods and services in accordance with Section 55 of the Local Government Act 1993 (NSW), the tender provision within the Local Government (General) Regulation 2021 - Part 7- Tendering and in accordance with the Council's adopted policies and associated procedures.

Please expand below to find out more information on Council's

Procurement process.

STATEMENT OF BUSINESS ETHICS

We are committed to the highest standards of honesty, fairness and integrity in all our business dealings. Businesses wanting to provide their services to us must first understand our procurement processes.

Council operates according to a [code of conduct](#) ([269.4KB](#)) that sets out the standards of behavior that Councillors and staff are expected to adhere by when dealing with other colleagues, our customers and suppliers, members of the public and the community.

The [statement of business ethics](#) ([1MB](#)) sets out the standards of behavior that Council expects from its private sector partners when conducting business with us. These standards of behavior relate to fair, ethical and honest dealings with Council, and ensuring the best level of service is provided to the community.

GETTING REGISTERED

Use the below steps to register and create an account with the Vendorpanel Portal:

Step 1 | You will need to access our [Vendorpanel portal](#).

Step 2 | If you are already registered with the portal, you would have received a confirmation (including your username and password details) via email.

Step 3 | Use these details to log in and select the industry categories

that are relevant to your business. This will improve the types of notifications you will receive. This is important to make sure you only receive the notifications of interest to you and are relevant to your business.

Step 4 | If you have not registered, you will need to register and create an account by accessing the [Vendorpanel portal](#). The process is very simple and only takes a few minutes. Select the registration tab and enter your email address to create your unique supplier profile. Once completed, you will receive a confirmation email of your registration.

Step 5 | If you require assistance with registering and customising your profile, please contact the Vendorpanel Help Desk on **03 9095 6181**

PREQUALIFY AS A LOCAL CONTRACTOR

Dubbo Regional Council is inviting suitable qualified contractors whose business is located within the Dubbo Regional Council LGA, or within 50 kilometres of Dubbo or 50 Kilometres of Wellington to be part of a Prequalified Panel. If your business fits into one of the following categories; Building Trades and Services; Minor Civil Works; Horticulture and Arboriculture; you can be listed in the Prequalified Panel for works up to \$250,000 including GST.

Find out more at our dedicated webpage; Prequalify as a Local Contractor.
