

GROUND CONDITION TESTING AT OLLIE ROBBINS OVAL

Dubbo Regional Council will be undertaking ground condition testing along the proposed route of the new Legacy Boardwalk Shared Pathway parallel to the Macquarie River.

The testing will take place on Wednesday 11 July 2023 from 8am – 5pm and during this time the internal road along Ollie Robbins Oval will be closed to vehicle traffic whilst the drill rig is onsite to collect soil samples. Pedestrians using the Tracker Riley Walkway will not be impacted during this time.
