

THE BEANIES ARE COMING TO TOWN

Are you looking for something that will finish off the school holidays with a bang?

Dubbo Regional Theatre has the perfect opportunity for you when it welcomes The Beanies and their stage show *The Beanies EGG-traordinary Day* on Saturday 22 April.

As seen on ABC Kids TV, the trio are jumping out of the screen and onto the stage in a family-friendly 10.30am performance.

The award-winning trio are ready to play so come along to sing, dance and laugh in their giant box fort. Little do they know they're about to face their biggest challenge ever – babysitting! or should we say 'egg sitting'?

Because it turns out it's harder than it looks. The trio argue about nap time, get confused about baby proofing and deal with crying lts and then disaster! The egg gets poached!

Now the Beanies need your help to save EGGbert and together you will solve problems, unravel riddles and search for clues.

Will they find EGGbert before the time is up? You'll have to come along to find out...but beware of those sneaky robbers.

Laura, Mim and Michael are best known for their award-winning podcast series which has eclipsed a million downloads. In 2018, the Beanies won an Australian Podcast Award for Best Kids and Families Podcast. The series explores children's audio through storytelling, informative fact-based teachings and music. The Beanies are also a three-piece band with over 60 original songs that have been released with ABC Kids and streamed over two million times. In 2019, the Beanies were nominated for an ARIA Award in the category of Best Children's Album.

The Beanies' goal is to be every child's best friend and help them feel free to play as themselves, for themselves. By starting in the podcast space, the Beanies succeeded in doing this without the power of imagery. Their engaging story-telling and catchy songs captured the attention of kids all over Australia – now they are ready to take to the stage!

“With all the toys, movies and video games available today, playing in your imagination has become a real challenge. The Beanies are every child's best friend, leading by example in imaginative play,” Mim Beanie said.

Manager, Dubbo Regional Theatre and Convention Centre, Linda Christof said the show was one the whole family would enjoy.

“The set and costumes are colourful and the band is made up of professionally trained performers with expertise in acting, dancing, writing and children’s entertainment. The interactive nature of the show encourages children to feel comfortable calling out and being a part of the shenanigans from the comfort of their theatre seat.”

Are you EGG-cited? We are!
