DUBBO REGIONAL COUNCIL

APPENDIX B
ACTIVE TRANSPORT RECOMMENDATIONS MAPS

Map Series Overview

Dubbo PAMP and Bike Plan
Dubbo, NSW

Legend

Land Use

- Residential
- Commercial
- Industrial
- Education
- Hospital/Medical
- Primary Production
- Parkland

Stantec

0 430 860 Metres

Scale at A3: 1:35,000

Future Strategic Network (Pathways) - D01

Dubbo PAMP and Bike Plan

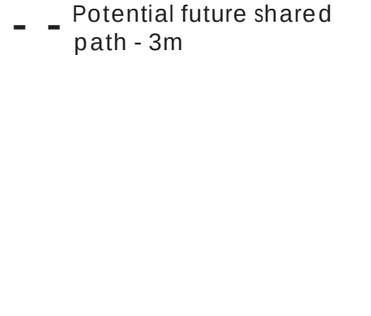

Dubbo, NSW

Legend

Existing Footpath

Recommendations

Potential future shared path - 3m

Stantec

0 90 180 Metres

Scale at A3: 1:8,000

N

Future Strategic Network (Pathways) - D02

Dubbo PAMP and Bike Plan

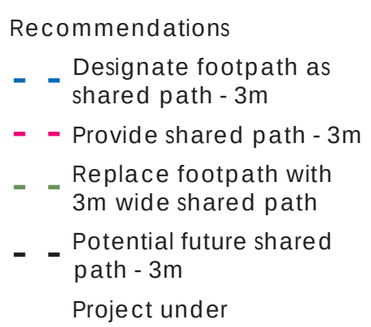

Dubbo, NSW

Legend

- Existing Footpath
- Existing Shared Path
- Existing On-Road Bicycle Lane

Recommendations

- Designate footpath as shared path - 3m
- Provide shared path - 3m
- Replace footpath with 3m wide shared path
- Potential future shared path - 3m
- Project under construction - 3.5m shared path
- Project under construction - 1.8m footpath

Stantec

0 90 180 Metres

Scale at A3: 1:8,000

N

Future Strategic Network (Pathways) - D03

Dubbo PAMP and Bike Plan

Dubbo, NSW

Legend

- Existing Footpath
- Existing Shared Path
- Existing On-Road Bicycle Lane

Recommendations

- Designate as mixed traffic cycling route
- Designate footpath as shared path - 3m
- Provide shared path - 3m
- Replace footpath with 3m wide shared path

Stantec

Scale at A3: 1:8,000

N

Future Strategic Network (Pathways) - D05

Dubbo PAMP and Bike Plan

Dubbo, NSW

Legend

- Existing Footpath
- Existing Shared Path
- Existing On-Road Bicycle Lane

Recommendations

- Provide footpath - 2m
- Provide shared path - 3m
- Widen existing shared path to 3m wide
- Potential future shared path - 3m

Stantec

0 90 180 Metres

Scale at A3: 1:8,000

N

Future Strategic Network (Pathways) - D06

Dubbo PAMP and Bike Plan

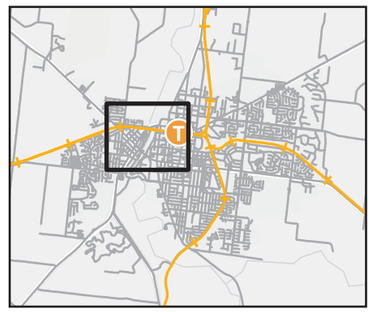

Dubbo, NSW

Legend

- Existing Footpath
- Existing Shared Path
- Existing On-Road Bicycle Lane
- Existing Separated Cycleway

Recommendations

- Designate as mixed traffic cycling route
- Designate footpath as shared path - 3m
- Provide footpath - 2m
- Provide footpath - 3m
- Provide on-road bicycle lane in each direction
- Provide shared path - 3m
- Replace footpath with 3m wide shared path
- Widen existing shared path to 3m wide
- Potential future shared path - 3m

Stantec

Dubbo PAMP and Bike Plan

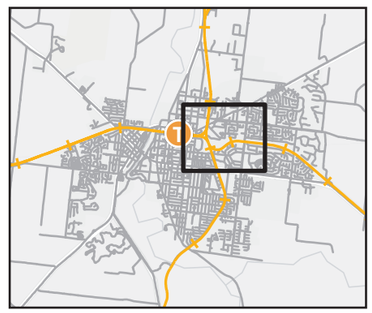

Dubbo, NSW

Legend

- Provide pedestrian refuge
- Construct kerb ramp

Future Strategic Pathway Network

- Mixed traffic cycling route
- Shared path

Stantec

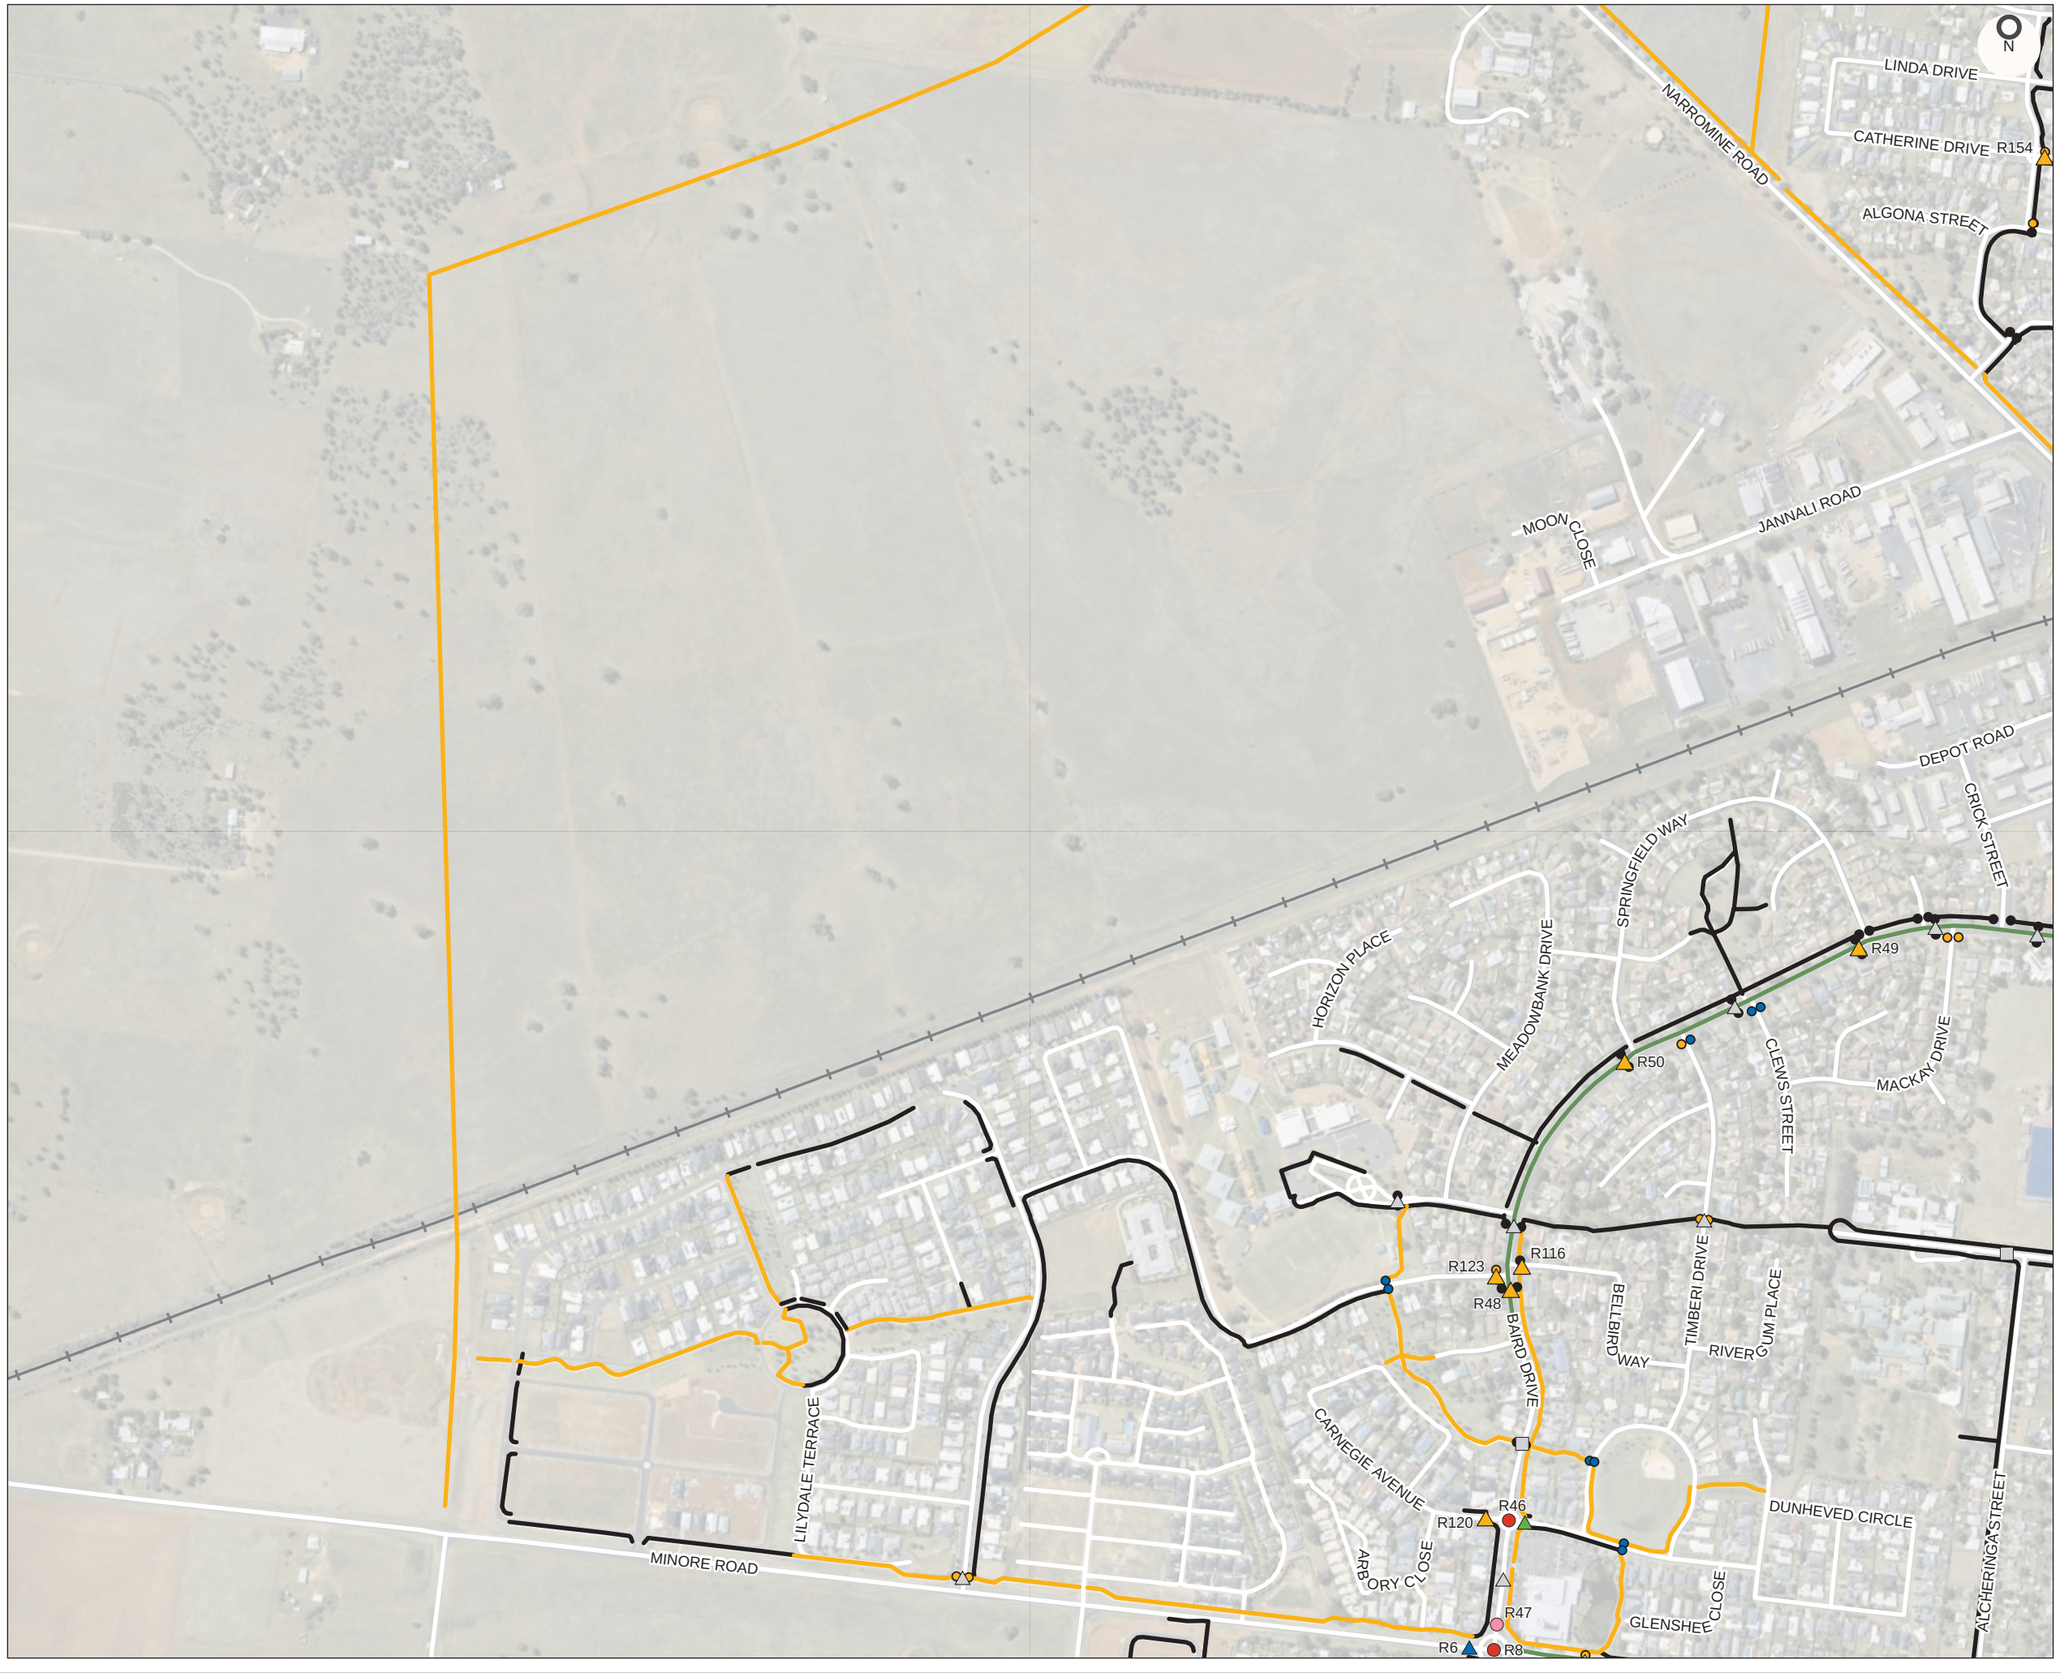

0 90 180 Metres

Scale at A3: 1:8,000

Future Strategic Network (Crossings) - D05

Dubbo PAMP and Bike Plan

Dubbo, NSW

Legend

- Provide pedestrian refuge
- Non-compliant pedestrian refuge
- Provide pedestrian crossing warning signage
- Investigate opportunity for pedestrian crossing
- Compliant pedestrian refuge
- Compliant zebra/ wombat crossing
- Existing pedestrian refuge (not included in 2016 audit)
- Construct kerb ramp
- Existing compliant kerb ramp
- Reconstruct kerb ramp

Future Strategic Pathway Network

- Footpath
- Shared path

Stantec

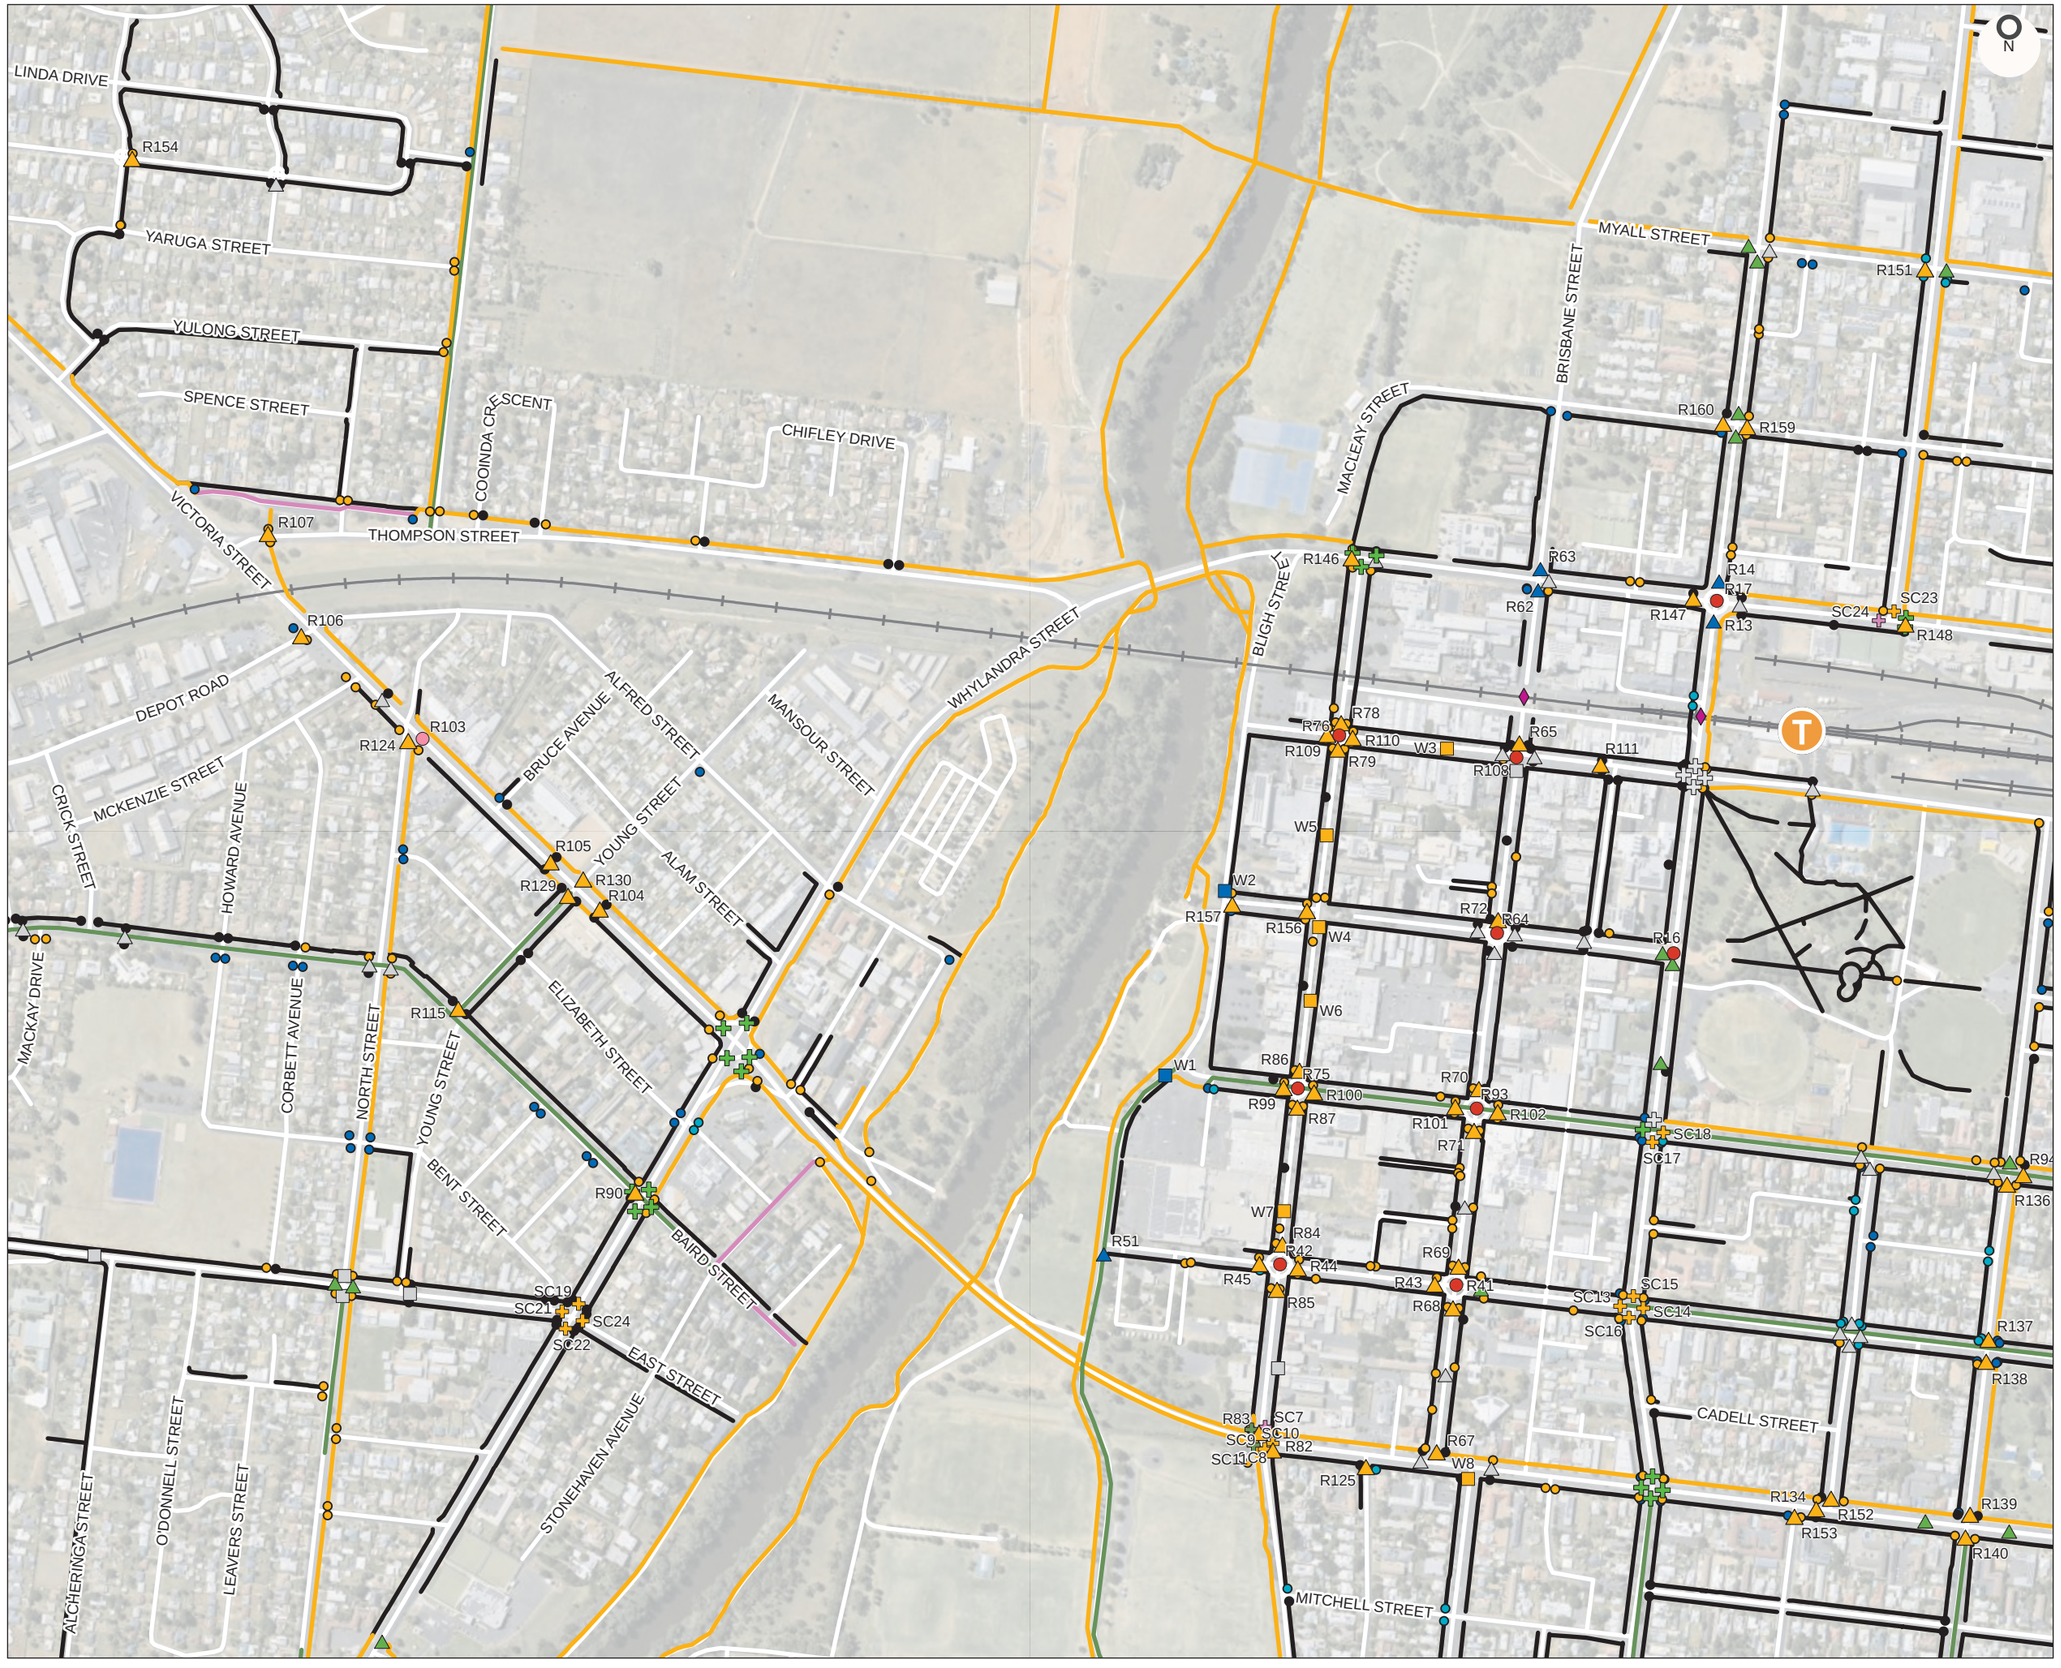

0 90 180 Metres

Scale at A3: 1:8,000

Future Strategic Network (Crossings) - D06

Dubbo PAMP and Bike Plan

Dubbo, NSW

Legend

- Investigate opportunity for a signalised pedestrian crossing
- Non-compliant signalised crossing
- Provide audio-tactile indicator button
- Provide pedestrian refuge
- Non-compliant pedestrian refuge
- Provide wombat crossing
- Repaint zebra/ wombat crossing linemarking
- Provide pedestrian crossing warning signage
- Investigate opportunity for pedestrian crossing
- Compliant pedestrian refuge
- Compliant signalised pedestrian crossing
- Compliant zebra/ wombat crossing
- Railway level crossing
- Existing pedestrian refuge (not included in 2016 audit)
- Existing signalised pedestrian crossing (not included in 2016 audit)
- Construct kerb ramp
- Existing compliant kerb ramp
- Provide TGSI
- Reconstruct kerb ramp

Future Strategic Pathway Network

- Footpath
- Mixed traffic cycling route
- On-road bicycle lane
- Shared path

Stantec
