## DUBBO REGIONAL COUNCIL

### Pricing Policy

**FCR – Full Cost Recovery:** Price set to recover the full cost of providing the goods/services. In determining whether this principle is appropriate consideration is given to whether there are community service obligations or equity issues that would warrant an alternative pricing principle.

**MB – Market Based:** Price is set by reference to local market and/or industry prices. Fees are set to be competitive with other service providers.

**NC – No Charge:** No price charged for the service.

**PCR – Part Cost Recovered:** Price is discounted to below the full cost of providing the goods/services in recognition of a community service obligation. Funding for these services is sourced from other revenue and by charging a nominal fee to help offset the cost of providing the services.

**REG - Regulated:** Price is set by statute or regulation and Council has no discretionary power to alter these amounts. Council will amend fees and charges as and when instructed by the regulation authority.

### Categories for venue hire/facility use (unless otherwise stated):

**“Community”:** The Community rate may be offered to any entity type whose activities or purpose of use is ‘for the public/community benefit’ and the primary objective of the activity/use is not to make a profit for a commercial business or individual.

Public/community benefit refers to activities, services, or initiatives that are designed to directly serve, improve, or enrich the well-being of the public (Dubbo Regional LGA) or a specific community, without the intention of generating profit for a business or individual. These activities are typically aimed at addressing social, cultural, educational, or environmental needs and are accessible to the wider community.

**“Commercial/Private”:** The Commercial/Private rate is applied to all other instances of use.

**This document includes the details of each fee, charge or contribution, Council’s pricing policy and a comment as to the purpose of the fee, charge or contribution.**

Venue Supervisor for bump-in/set-up or at the event	\$75.00	\$5.91	\$65.00	Y	MB	10%
Up to 8 hours included in venue hire fee. \$65.00 per hour thereafter. Chargeable time begins at client entry and finishes either when access to backstage is no longer required or at the discretion of management, depending on the requirements and complexity of the event. The Venue Supervisor oversees all technical aspects of the event including audio, lighting, the raised stage and the flying system (only DRTCC staff members permitted to do this). The Venue Supervisor is the Hirer's first point of contact for information and assistance with any AV or technical aspects of the event and venue and is also there to supervise and assist any external AV providers. The Venue Supervisor will not and cannot be assigned a dedicated task or technical role that they are unable to walk away from in the event of an emergency. The Venue Supervisor must always be available to troubleshoot, provide information to technical staff etc. The Hirer will be invoiced for all additional hours over 8 hours worked by the Venue Supervisor where a Venue Supervisor has been allocated to an event. Management determines the need for the Venue Supervisor depending on the requirements and complexity of the event.

- 'No shows; and cancellations after check-in, forfeit all fees paid. If after arrival guests are dissatisfied with any aspect of their accommodation and decide to terminate their stay, the amount refunded, if any, will be at the discretion of management. The Park reserves the right to cancel bookings for 'no shows'.
- Refunds will only be given in regard to the above conditions. Refunds will not be given if guests simply changed their mind, their circumstances change, choose wrong accommodation or due to weather conditions (except in the case of the emergency services evacuating the Park).

NB. Mid/peak season – where minimum booking stays are required no refunds will be made when the bookings open to shorter stays

### CARAVAN PARK ONLINE RESERVATIONS

All online reservations require payment in full at the time of booking. Should guests prefer to only pay an initial deposit (subject to the conditions above) they will need to call the reservations staff to confirm their reservation. Some rates and specials displayed online may not be bookable over the phone or may require payment in full regardless of booking method. Remember to check the conditions of all specials.

minimum charge - unsorted weighed loads	\$38.75	\$3.64	\$40.00	Y	FCR	10%

#### Domestic Mixed Waste - SORTED

The load has been sorted into separate categories with any green waste, recyclables, scrap metal, concrete, brick, tiles, etc being separated from the general waste component (requiring disposal to landfill) The recyclable or re-usable materials should make up 10% or more of the load and be dropped off to the correct recycling facility/bay at the Small Vehicle Reveal Centre.

#### Domestic Mixed Waste - UNSORTED

90% or more of the load is mixed waste requiring disposal to landfill. Less than 10% of the load consisting of separated green waste, recyclables, scrap metal, concrete, brick or tiles, etc.

**\*\*Utility or Small Trailer loads:** Limited to single axle box trailer or utility loads up to 220kg in weight. Any utility or trailer suspected of weighing more than 220kg (including bogie trailer loads) will be weighed and charged at the appropriate "per tonne" rate for the net weight of the waste at the full discretion of the weighbridge attendant.

DUBBO REGIONAL AIRPORT

AIRPORT PASSENGER FEES

PASSENGER FEE SUBSIDY – NEW ROUTES

Upon application and approval in writing to the Chief Executive Officer, Council provides a passenger fee subsidy for new routes not being effectively served by an airline, or are a new route introduced into the Dubbo market. This subsidy is not available to routes that are operating under another government subsidy. The subsidy would reduce such passenger fees to a zero amount per person and would be provided in support of developing new routes.

Note: all ‘Passenger and Checked Baggage Screening – per passenger’ fees remain applicable. There are not any Council subsidies for security screening.

Note: Western Sydney Port does not qualify as a new route.

Note: Routes that were previously serviced by another airline through Dubbo Regional Airport do not qualify as new routes.

ROUTE VIABILITY ASSISTANCE PROGRAM

Upon application and subject to approval, Council provides a passenger fee subsidy to support route viability offering 50% of passenger fees for a period of six (6) months per year. Assistance will be provided based on evidence of low viability including low load factors for continual three (3) month period. This program is only available to routes that have commenced or been established within the last three (3) years and can only be applied for once in a financial year.

Note: all accounts must be up to date with no arrears.

Note: the program can be accessed for an identified route for a maximum period of three (3) years.

Note: Routes undertaken by an Airline that has previously operated at Dubbo Regional Airport over three (3) years ago do not qualify.

PASSENGER AND CHECKED BAGGAGE SCREENING

In accordance with Department of Home Affairs regulations, all passengers and checked baggage must be screened before entering the secure area of an Australian airport terminal.

Fees and charges associated with passenger and checked baggage screening (per passenger) are to cover the cost for the provision of these services. Council charges screening fees to all Regular Passenger Transport (RPT) airlines proportionally based on share of total passengers.

Annual reviews will be undertaken to determine actual screening costs divided by actual passenger numbers and required adjustments to the per passenger fee will be made for the following year.(\*) Council will establish a passenger and checked baggage screening fee equalisation reserve to be reconciled and applied annually.

## AIRPORT PASSENGER FEES [continued]

Note A: Airlines receiving any passenger and checked baggage screening fee funding subsidy from the Australian Government will be charged monthly in accordance with the subsidy program guidelines.

Note B: Australian Government passenger and checked baggage screening fee subsidies available to Council will be passed on in full or as per the subsidy program guidelines. Passenger and checked baggage screening fees may be waived during any subsidy periods or until such subsidy program allocations are expunged in full.
