**Statement**

I request permission from Dubbo Regional Council to construct garden beds and/or resurface the footpath at the front of my property. I have read and agree to comply with the conditions described in Council's *Footpath Landscaping Policy and Guidelines* (copy available on Council's website).

I agree to indemnify Dubbo Regional Council against any claims for negligence or breach of contract during the construction of the footpath landscaping works.

I acknowledge and accept that Council and/or other service providers may either remove garden beds, or resurfacing works, or ask residents to do this, so that they can carry out works as the need arises and possibly without warning. I accept that the landscaping and/or resurfacing works may not be restored to the condition that existed prior to these works being undertaken.

Should I sell my property, I will advise the new owner of the conditions described by Council's *Footpath Landscaping Policy and Guidelines* which will then apply to the new owner.
