

Compliance Summary Report

Date Generated: **3 Nov 2025**
Provider ID: **PR-00005148**

Note:

- This report displays statutory compliance actions issued in the last 2 years only.
- These actions must have been issued to you, as the Approved Provider, however may be in relation to one of the education and care services you currently operate. Where this is the case, the 'regarding' field will display the name of the relevant service.
- The report will not show history related to services that have since been transferred to another Provider, or history for received services that was built

Classification	Type	ID	Regarding	Date Issued	Current Status
----------------	------	----	-----------	-------------	----------------
