

LODGING DEVELOPMENT APPLICATIONS DURING COVID-19

Electronic submissions of applications can be sent to Council via DevelopmentandEnvironmentApplications.Officers@dubbo.nsw.gov.au. Council only requires one set of plans and each document is to be named accordingly and saved as separate pdf documents. If your application and associated documents are larger than 25 MB, documents can be sent via a cloud host. Please note that if the documentation is not adequate eg: not to scale, not clear or legible, insufficient details etc., then lodgement of the application will be held until adequate information is received.

On the receipt of acceptable applications, Council will forward an Invoice for payment of associated fees which must be paid within 14 days. This payment will be able to be made electronically. Should the payment not be made within the specified 14 days, the application will be refused, on the grounds that the application had not been lodged in the 'prescribed manner'.

Council's Duty Building and Planning Officers are available between 1pm to 4:30pm Monday to Friday to answer any enquires regarding your application. Please phone 02 6801 4000 or send an email to council@dubbo.nsw.gov.au.

The background is a solid blue color. It features several stylized virus particles of varying sizes and shades of blue and white. The largest virus particle is in the center, with a dark blue core and a lighter blue outer shell covered in small white protrusions. Other smaller virus particles are scattered around it, some with more prominent spikes. The overall aesthetic is clean and modern.
