

REGIONALLY SIGNIFICANT PROJECTS AND INFRASTRUCTURE

Dubbo Regional Council is leading the way in Regional NSW for developing infrastructure and encouraging investment into the area, to accommodate growing industry requirements and an increasing population. Dubbo Regional Council is at the forefront of economic strategy and proactive planning as the Dubbo Region is on track for significant growth over the next decade and we understand the need to provide reliable infrastructure and facilities to serve our expanding business network and growing regional economy.

Dubbo Regional Council is committed to the attraction of significant private and public sector investment to provide a platform for continued, sustainable and successful growth for the Region. We are pleased to provide stakeholders and partners with information on current **Regionally Significant Projects & Infrastructure**. Please find on the map below details of projects that are either in planning stages or have been recently completed. (Click on the icons to see further information and attachments on each project).

Another service we provide our community is online tracking for current Development Applications (DAs), which can be found here.

If you are a person who is involved with a business that is considering relocating or opening a new site in the region or whether you are an existing business that is looking to expand, our **Economic Development Team** are extremely eager to hear from you. This service is a free service provided by Dubbo Regional Council to help connect you with the resources that will assist in making the transition as smooth, efficient and as successful as possible.

If you have any questions or would like access Council Economic Development services, please contact our Economic Development Team on **(02) 6801 4000** or email ecdev@dubbo.nsw.gov.au
