

WHYLANDRA WASTE AND RECYCLING CENTRE TOURS

Council welcomes site tours by arrangement, from schools and other community groups to Whylandra Waste and Recycling Centre (WWRC) for educational guided tours. Tours are free but must be booked in a minimum five (5) days in advance.

Council has been operating the WWRC since the late 1970s. In recent years, the focus has shifted from disposal of materials to resource recovery.

Please read the pre-tour information brochure (298.6KB) before you book a tour. Wheelchair access is available in limited areas of WWRC, due to operational and safety requirements.

If you would like to make a booking for a tour of the WWRC please complete the following application form.
