

PROMOTE YOUR EVENT

Whether you're looking for ways to get more delegates to your next conference, industry stakeholders to your trade show or more local residents to your community event, the Dubbo Region has various promotional touch points to help you get your message out.

DUBBO REGION EVENT CALENDAR

Add your event to the Region's Event Calendar on dubbo.com.au and reach a potential 20,000 visitors a month. Hundreds of events are promoted on the website each year and the calendar is a key reference for visitors, event organisers, media and members of the community.

DUBBO.COM.AU WEB TILE

Promote your event with a webtile under the Events section on dubbo.com.au and link it directly to your website. You can choose to advertise your event for three months, six months or 12 months in advance.

CBD PROMOTION

Promote your event through a number of assets in the heart of our bustling CBDs. Fly the \S ags for your event along the streets of Dubbo or Wellington, let your event speak for itself using the rotunda sign, get your attendees ready to rumble and promote your event on the rotunda rhino, or shine a light on a good cause with Dubbo light activation.
