

## DUBBO REGION + NARROMINE GRANTS HUB

Dubbo Regional Council is available to assist you in identifying grants and funding opportunities for business and community initiatives across the Dubbo region. Please use the following links to external grants databases to start your search for government and private funding:

### **BUSINESS.GOV.AU**

An online Australian Government resource for the Australian business community, providing a database of grants for the business sector and other assistance in the form of low-interest loans, tax and tariff concessions.

Visit their website

### **GRANTGURU**

GrantGuru is a grants database for Australian businesses and community organisations that need funding for current or future projects. The database provides searches by business location, community location, business industry, business activity, community sector, as well as 'top picks' lists by industry type.

Visit their website

### **GRANTCONNECT**

GrantConnect provides Australian businesses and community organisations a centralised publication of forecast and current grant opportunities and grants awarded by the Australian Government.

Visit their website
