

## TIMEFRAME FOR SUBMISSIONS ON DUBBO STREET TREE MASTER PLAN EXTENDED

Dubbo Regional Council has extended the timeframe for public submissions on the Dubbo Street Tree Master Plan.

The public will now have the opportunity to have their say on the plan until 5.00pm on 2 December 2016.

“The Dubbo Street Tree Master Plan has been developed to provide a strategic approach to the improvement of the aesthetics of the City of Dubbo, and at the same time improve the tree canopy cover through a Prioritised Planting Plan,” Council’s Director Parks and Landcare Services Ian McAlister said.

“Increasing canopy cover is extremely important to help the residents of Dubbo cope with the predicted warming climate that will see an increase in the overall number of days over 38 degrees Celsius.”

“Council is inviting all residents of Dubbo to view the Dubbo Street Tree Master Plan and provide us with any feedback they have.”

The Dubbo Street Tree Master Plan is available to view at Dubbo Regional Council Administration Building on the corner of Darling and Church streets or online at [www.dubbo.nsw.gov.au](http://www.dubbo.nsw.gov.au).

Written or electronic submissions are invited until 5pm on 2 December 2016.

Written submissions should be addressed to Dubbo Regional Council, PO Box 81, Dubbo NSW 2830.

Electronic submissions can be made via the form on the website.
