

INFORMATION ON CORONAVIRUS (COVID-19)

As facility owner of Dubbo Showground, Dubbo Regional Council wants to ensure the safety of our visitors, employees and community, as we work through the current Coronavirus (COVID-19) health crisis. As the Showground continues to operate we will be increasing hygiene practices and hygiene communications across our facility as practical, and we ask for all stakeholders to support us in this process.

Dubbo Regional Council asks any visitors to our facilities to follow the general health precautions of social distancing, wearing a face mask, washing your hands effectively, covering any sneezes and coughs and staying at home if unwell.

Please visit the [NSW Government website](#) to access further information regarding COVID-19 restrictions including those that relate to events.

If you are feeling unwell or if you have been asked to self-isolate due to potential exposure to COVID-19 you are not to enter the Dubbo Showground.
