

# CHANGED TRAFFIC CONDITIONS FOR TALBRAGAR STREET, DUBBO

Dubbo Regional Council wishes to advise motorists of a change in traffic conditions on Talbragar Street between Gipps and Darling Streets on 6 September 2018.

Council will undertake planned sewer main construction work which will require a traffic interruption. A Traffic Management Plan will be in operation with the following provision.

- Talbragar Street will be closed to **west-bound** traffic between Gipps and Darling Streets. Local traffic access to Dubbo Railway Station and Dubbo Aquatic Leisure Centre will be available.

Council appreciates the patience of business owners, motorists, and pedestrians, and apologises for any inconvenience caused by the further construction works in this location.

Should you have any queries please contact Council's customer service branch on 02 6801 4000.
