

DRIVE-THRU COVID-19 TESTING CLINIC

Locals are urged to get tested for COVID-19 at a drive-thru testing clinic visiting Dubbo.

As travel restrictions are decreased, it's important people get tested to help authorities stay on top of the disease.

Common symptoms include: fever, cough, sore throat, shortness of breath, runny nose, and tiredness.

Attendees won't have to leave their car. Clinic staff will come to you, collect your details, do a short assessment, and then do a swab from the back of your throat and nose.

When: Monday 9 November - Friday 13 November, 2020.

Time: 10:00am - 4:00pm.

Location: Gipps Street Carpark, between Victoria Park Ovals 2 and 3.
