

# TEMPORARY ROAD CLOSURE OF TOORALE ROAD CULVERT AND ROAD RECONSTRUCTION

Dubbo Regional Council in pursuance of the Roads (General) Regulations 2018 hereby gives notice that:

Please be advised that Council will commence roadworks on Toorale Road on 17 May, 2021. This work is anticipated to take ten (10) weeks to complete, weather permitting.

The work includes the replacement of the culvert at Eulomogo Creek, as well as pavement reconstruction to reduce flood levels during heavy rain events.

As a result of these works, there will be traffic interruptions as follows:

1. Toorale Road will be closed to traffic;
2. Residents on the east and west of Eulomogo Creek, on Toorale Road, will need to access the Wellington Road/Mitchell Highway

from Eulomogo Road from either side.

An extensive Traffic Management Plan will be in place during the closure. Council acknowledges the inconvenience these works may cause, especially to local residents. We thank you for your continued understanding during these infrastructure development works.

If you have any further concerns please contact Council's Project Engineer,  
David Omokaro, on 02 6801 4836.
