

WORKS COMMENCE ON NEW PLAYGROUND AT LIONS PARK WELLINGTON

Dubbo Regional Council would like to advise that work has commenced on a new play space at Lions Park Wellington.

The project will include the installation of new equipment as well as the following elements as identified at a community consultation day.

- Bubblers
- Seating
- Solar Lighting
- Accessible Path System
- Park Art to support the playground
- Automatic irrigation system
- Advanced tree plantings

This project is a joint collaboration between Dubbo Regional Council and In'gen Energy.

The work is planned to be complete by November 2019.
