

TRACK MY DA

You can track the status of any application we are assessing, whether you are the applicant or not. Application Tracker enables you to view the application details. This includes:

- A description of the development.
- The location of the proposed development.
- The name of the person/s involved in the proposed development.
- Contact details of the Council O[°]cer, should you wish to discuss the development.
- Application progress.
- Documents (such as plans and statements).

Applications can be tracked on the Application Tracker using the map, or by entering the application number, address, lot number and DP number or date lodged.
