ROLE OF A COMPLAINTS OFFICER

The Complaints Officer provides a professional, complaint handling service to the Dubbo Regional Council community. The Complaints

O"cer has a remit to impartially and objectively investigate the conduct and actions of Council and Council o"cers in the case of possible corruption, misconduct, maladministration or other unethical behaviour.

The Complaints O"cer also reviews Council processes to ensure that they have been carried out fairly and in accordance with Council's procedures, policies and any Acts or Regulations that may apply. It is not the role of the Complaints O"cer to change operational decisions made by Council, Councillors or Council o"cers or to advocate on anyone's behalf.

Complaints are accepted from members of the community and Council staff. If a complaint relates to the Mayor, Councillors or the Chief Executive O"cer, the Complaints O"cer manages these through an external reviewer or panel of reviewers who are independent of Council.

The Complaints O"cer progressively examines the way that Council operates and makes recommendations to improve accountability, transparency and fairness. The Complaints O"cer actively provides operational and strategic advice to staff and management to prevent and mitigate the risk of corruption, maladministration or other forms of impropriety.
