

VET TRUCK RETURNS TO THE REGION

Dubbo Regional Council (DRC) would like to notify pet owners in the Local Government Area of the arrival of Animal Welfare League's mobile vet truck.

The truck will be stationed at Dubbo Showground from 1.30pm to 4.30pm on Monday, 6 March 2023; providing free health checks, microchipping and vaccinations.

The purpose-built B-double trailer is over 25 metres long. It has specially designed areas for animal surgeries, an isolation room, and over 35 recovery cages. It also features equipment for blood work, fridges, a veterinary scale, extensive storage to hold veterinary supplies and more. The Dubbo visit is one of 63 planned across regional NSW towns.

Residents seeking more information can contact Animal Welfare League.
