

CLOSURE OF BELMORE STREET AT FITZROY STREET INTERSECTION, DUBBO

Dubbo Regional Council wishes to advise the public Belmore Street, at the intersection of Fitzroy Street, will be closed from 19 December through to 22 December, inclusive (weather permitting).

Council will be installing two new pedestrian kerb ramps which will allow improved accessibility to the schools in the area.

Residents will be able to access their properties via Gipps Street for the duration of the works.

The works are being undertaken as part of a component of the Transport for NSW Grant funded School Zone Infrastructure Sub Program Round 2.

Council acknowledges the inconvenience these works may cause and thanks the community for their continued understanding during these infrastructure improvement works.
