

FLOOD UPDATE - DUBBO REGION - 8 OCT 3:45PM

Dubbo Regional Council (DRC) working closely with SES and local Police will implement the following closures to ensure the safety of the community following significant rain across the region.

- From 4pm Saturday 8 October all unsealed road in the Local Government Area will be closed with access for local residents in passenger vehicles under 3.5 ton only
- Troy Bridge is closed
- Goolma Road is closed
- Boothenba Road is closed

Heavy downfalls in Dubbo have put immense pressure on the water and sewerage networks and Council is aware of significant issues in some areas. Staff are monitoring the systems and crews are attending call outs as soon as possible.

Residents are asked to limit unnecessary flushing of toilets or draining of pools as this will only cause additional water flows into the network.
