

URGENT WATER SUPPLY WORKS IN MARY STREET, DUBBO

Dubbo Regional Council has engaged contractors to carry out urgent works to the water supply main in Mary Street, Dubbo.

The works start today, Wednesday, 14 December, and run for a period of three weeks (weather permitting).

Residents are advised minor traffic disruptions may be experienced.

Council staff or contractors will endeavour to provide reasonable notice to occupants of Mary Street about any interruptions to their water supply.

Council appreciates residents' patience and understanding while these urgent water supply works are undertaken.
