

ELSTON PARK MLAK AMENITIES AND BBQ UNAVAILABLE

Dubbo Regional Council (DRC) advises the community the MLAK keyed amenities and BBQ facilities at Elston Park will be temporarily unavailable on Sunday 24 September between 9am and 3pm.

Due to electricity network maintenance at the corner of Bultje and Fitzroy Streets, power will be disconnected during this time while the works are being undertaken by Essential Energy.

DRC staff will also be undertaking work at the Elston Park waterpark on Friday 22 September. The water park will be turned on following the work and available for use from Monday 25 September.

DRC thanks the community for their cooperation.
