

PEST PIGEON MANAGEMENT, DUBBO

Dubbo Regional Council (DRC) will carry out a pest pigeon management program at Council buildings and properties in Dubbo that are experiencing damage due to the roosting of feral pigeons.

DRC have engaged professional pigeon pest management services who are experienced with managing pigeons in Dubbo.

The management plan will take place this week, with activity occurring early in the morning or of an evening at the below sites:

- Dubbo Aquatic Leisure Centre
- Dubbo Civic Administration Building, Corner of Church Street and Darling Street
- Western Plains Cultural Centre
