

# CURTAIN RISES TO STRONG DRTCC SEASON OPENING

The Dubbo Regional Theatre and Convention Centre (DRTCC) has had a stellar start to its *Loaded With More In 2024* Season, with high audience numbers and patron satisfaction across all shows.

The 2024 season opened in early February with crowd pleaser *The Saturday Night Social* attracting an eclectic, intergenerational audience to the venue to dance the night away and revel in the bygone era of Saturday night dancehall socials.

Also appearing in February was Australia's favourite homegrown magician, Cosentino, who performed to a sold out house and rave reviews for his *Decennium, The Greatest Hits Tour*. Due to high patron demand, Cosentino will return to the DRTCC stage on March 19 2024 for a second performance.

March will also see children's literary classic *Dog Man* jump from page to DRTCC stage in *Dog Man the Musical*. With two of the three performances already booked out, residents are encouraged to book tickets for this epic musical adventure featuring the hilarity and heart of

Dav Pilkey's beloved characters.

Manager Regional Events Linda Christof said it was great to see a strong start to the *Loaded With More In 2024* Season, with the remainder of the Season set to be just as well patronised.

"The DRTCC Season has started extremely well, with *The Saturday Night Social*, *Decennium* and *Dog Man* proving to be huge hits with audiences across the region and beyond. As the *Loaded With More In 2024* Season continues to gain momentum, we expect to see similar sellout shows right throughout the year, which the team here are very excited about," Ms Christof said.

Season subscriptions are still available, with 326 patrons already taking up the offer.

Max Zell, regular audience member of the DRTCC, enjoys the benefits of being a Season Subscriber.

"My wife and I are Subscribers. We enjoy travelling to Dubbo from Gilgandra, going out to dinner, and seeing a theatre show," Mr Zell said.

To become a Season Subscriber all residents need to do is purchase a minimum of three shows from the 2024 Season booklet to tap into discounted tickets, savings on meals, accommodation, and purchases at the Theatre bar, as well as flexibility to exchange tickets if a clash in commitments arises.

"Don't wait in the wings; book your tickets and become a Season Subscriber to get the most out of the *Loaded With More in 2024* Season," Ms Christof said.
