

TEMPORARY CLOSURE OF CARPARK

The North Ollie Robbins Carpark, located at the bottom end of Church Street will be closed to the public from Monday 4 March until Monday 18 March.

Dubbo Regional Council is continuing works to finalise the Macquarie River Shared Pathway Project, with the asphalt surface of the carpark to be removed and replaced with concrete to match the new pathway.

The closure will result in a small loss of carparking.

The boat ramp also remains closed due to the works.

Council thanks the community for their understanding and apologises for any inconvenience.
