

ROAD INFRASTRUCTURE WORKS SCHEDULE

Dubbo Regional Council is responsible for 1,520 km of sealed and 1,356km of unsealed roads. Across these roads Council is responsible for funding, determining priorities and carrying out works. Council maintain all the local and rural roads within the local government area, for more information on Council maintained roads visit our dedicated webpage [Road and Footpath Maintenance](#).

This page will show community members the upcoming works

scheduled by Councils Infrastructure and Delivery team.

The works are planned works but are subject to change without notice. Please be mindful of speed restrictions and temporary lane closures while works are underway to keep all road users and workers safe. Adverse weather can delay any scheduled works.

The page will be updated on a fortnightly basis on a Wednesday, following the meeting of the Infrastructure Delivery team.

FAQS - HOW DO I KNOW IF WORKS WITH HAVE CHANGES TO TRAFFIC OR ROAD CLOSURES?

Dubbo Regional Council keep up to date information on all road closures on our website and on the Live Traffic NSW website.

To find out more about road closures and changes visit Council's dedicated webpage; Road Closures

FAQS - WHY DO EMERGENCIES AFFECT THE WORKS SCHEDULE?

Dubbo Regional Council play a role in natural disaster and emergencies, which means staff can be re-tasked to assist with works that need to occur. Staff working on the roads are usually those same staff that are tasked to emergency situations. As a result of this, works on the scheduled list are placed on hold until the emergency is finalised.

Reporting Damage: Should you wish to report damage on our roads, please visit DRC&Me or contact our Customer Experience Team on 6801 4000.

DUBBO REGION ANNUAL ROAD RESEAL PROGRAM
