

GARDENS CLOSED FOR MAINTENANCE

Dubbo Regional Council (DRC) staff will be conducting the winter works program at the Shoyoen Japanese, Sensory, Biodiversity and Oasis Valley Gardens on Wednesday 10 August 2022.

To facilitate plant machinery onsite, movement of materials and necessary path maintenance, the gardens will be closed from 7am through until 4pm Wednesday 10 August 2022.

The regular Adventure Playground maintenance will take place, opening from 12 noon and The Wiradjuri Gardens will be unaffected by these works and will remain open to the public.

Council wishes to thank the community for its patience and understanding during these works.
