

ROAD CLOSURES FOLLOWING FAST RISING WATER ACROSS LGA

With fast water flows in the Bell River and rising river levels in the Macquarie, Dubbo Regional Council (DRC) are working closely with SES, NSW Police and Transport for NSW and will be closing a number of roads as a precautionary measure.

Dubbo road closures underway include:

1. Troy Bridge
2. Bligh Street
3. Dubbo Visitor Information Centre Car Park
4. Macquarie Regional Library Car Park, Dubbo

Council are also preparing measures in the event the Emile Serisier Bridge may have to be partially or fully closed. This closure will only take place when the depth of the water overtopping the deck of the bridge becomes too dangerous to drive through. In the event the Emile Serisier Bridge does close, additional traffic management will be put into place.
