

SAVE WATER

Dubbo Regional Council encourages residents to Be Wise With Our Water and exercise water conservation. Water conservation is the practice of using water efficiently to reduce unnecessary water usage.

Water conservation is essential and can be done by everyone. We can all contribute to saving water.

BE WISE WITH OUR WATER

COMMUNITY DAILY WATER USAGE

COMMUNITY USAGE

Council has developed a procedure to calculate the daily average water consumption in Dubbo, Geurie and Wellington.

Council encourages residents to be Wise With Our Water and aim at using approximately 380- 400 litres per person per day (292.1KB).

| DATES | DUBBO | WELLINGTON | GEURIE |
|--|-----------------------|-----------------------|-----------------------|
| 15 April 2024 - 21 April 2024 | 239 litres/person/day | 220 litres/person/day | 164 litres/person/day |
| 8 April 2024 - 14 April 2024 | 216 litres/person/day | 207 litres/person/day | 167 litres/person/day |
| 1 April 2024 - 7 April 2024 | 248 litres/person/day | 222 litres/person/day | 194 litres/person/day |

| DATES | DUBBO | WELLINGTON | GEURIE |
|--|-----------------------|-----------------------|-----------------------|
| 25 March 2024 - 31 March 2024 | 333 litres/person/day | 261 litres/person/day | 260 litres/person/day |
| 18 March 2024 - 24 March 2024 | 265 litres/person/day | 224 litres/person/day | 208 litres/person/day |
| 11 March 2024 - 17 March 2024 | 446 litres/person/day | 304 litres/person/day | 338 litres/person/day |
| 4 March 2024 - 10 March 2024 | 426 litres/person/day | 302 litres/person/day | 390 litres/person/day |
| 26 February 2024 - 3 March 2024 | 438 litres/person/day | 278 litres/person/day | 354 litres/person/day |

| DATES | DUBBO | WELLINGTON | GEURIE |
|--|-----------------------|-----------------------|-----------------------|
| 19 February 2024 - 25 February 2024 | 348 litres/person/day | 265 litres/person/day | 289 litres/person/day |

MONITORING YOUR WATER USAGE

Customers with a Smart Water Device will be able to monitor and manage their water consumption through the 'My DRC Water' online customer portal. You can set up scheduled consumption reports, monitor your usage daily and set up high usage and leak alerts.

You can access the portal at mydrcwater.dubbo.gov.au
